SFA HPA

The SFA HPA is a non-profit society supporting post graduate swimmers to pursue their swimming dreams. The SFA HPA works with the **SFA** swim club and the **Langley Olympians**. Now in our third year we have supported over twenty university swimmers as they train and compete at the highest provincial, national, and international level competitions.

HPA swimmers **Collyn Gagne, Venna Andersen & Kyuhyun Cho** competed successfully at the **2024 Canadian Olympic Trials** at the Pan Am Pool in Toronto. *Results on page 3.*
