

SFA HPA NEWSLETTER – DEC 2023

SFA HPA

The SFA HPA is a non-profit society supporting post graduate swimmers to pursue their swimming dreams. The SFA HPA works with the **SFA** swim club and the **Langley Olympians**. Now in our second year we have supported over twenty university swimmers as they train and compete at the highest provincial, national, and international level competitions.

HPA swimmer Collynn Gagne wins the silver medal in the men's 400m IM at the 2023 Pan Am Games in Santiago, Chile.
